John M. Sacher's A Perfect War of Politics explores why Louisiana joined its neighbors in seceding from the Union in early 1861 and offers the first comprehensive study of the state's antebellum political parties and their interaction with the electorate. Sacher shows that, although civic participation expanded beyond the elite from 1824 to 1861, Louisiana remained a "white men's democracy." Ultimately, he explains, an obsession with defending white men's liberty led Louisiana's politicians
