Church and State in the City by William Issel OverDrive

Church and State in the City provides the first comprehensive analysis of the city's long debate about the public interest. Historian William Issel explores the complex ways that the San Francisco Catholic Church and its lay men and women developed relationships with the local businesses, unions, other community groups, and city government to shape debates about how to define and implement the common good. Issel's deeply researched narrative also sheds new light on the city's socialists
