Countering the Counterfeiters How Brands Can Protect

Another new technology comes from Aveso Inc., a spin-off of Dow Chemical. The company has developed labels that carry covert electronic billboards that can be activated by a radio frequency source or through touch, making the hidden billboard apparent so consumers and brand owners can verify the authenticity of the package.

With Packaging It's the Thought that Counts

Counterfeiting may be wreaking havoc across the supply chain, but manufacturers are not without recourse, nor are they standing still. The arrival of a broad range of printable-electronics technologies, advancements in smart materials and a sizable market for RFID is making smarter packaging possible.
