Review Shade by Jeri Smith Ready pureimaginationblog com

Shade is the first paranormal I have read this year and absolutely loved!! The world in this book is utterly amazing! The whole concept of the Shift drew me in from the very beginning. Jeri Smith-Ready is a adult author and this is her first YA. Maybe that's why I loved it so much. It reminded me of the adult paranormal novels that made me fall in love with the genre in the first place.
