The Adventures of Roderick Random Wikipedia

The Adventures of Roderick Random is a picaresque novel by Tobias Smollett, first published in 1748. It is partially based on Smollett's experience as a naval-surgeon's mate in the Royal Navy, especially during the Battle of Cartagena de Indias in 1741. In the preface, Smollett acknowledges the connections of his novel to the two satirical picaresque works he translated into English: Cervantes' Don Quixote and Alain-Ren Lesage's Gil Blas

The Adventures of Roderick Random by Tobias Smollett

'Roderick Random' was Smollett's first novel, and it is his best. It is a brawling, picaresque romp, like Fielding crossed with Dickens: less polished than Fielding, much coarser than Dickens, but always great fun.
